## **Welcome to WOO 2008 – Riviera Maya, Mexico**

Welcome to our 11th Annual World of Opportunity Program

Our travels over the past ten years have taken us to many exciting destinations such as Ireland, Puerto Vallarta, Maui and Rome; to name just a few. We hope you've had the opportunity to explore with us. This year's program takes us to an all-inclusive resort offering. If you joined us for Costa Rica in 2003, you received a brief glance at what all-inclusive is all about.

The Riviera Maya area has become known to many vacationers as the place to visit for luxury, beauty and exciting adventures. Our 7-day getaway in the winter of 2009 will be the perfect time to experience the fascinating Yucatan Peninsula. Plan to join us and you're sure to have an incredible time.

Enclosed you'll find
